• SCHOLARSHIPS •

Recognizing the importance of a vibrant educational system and the positive impact of a strong, well-educated workforce, Heritage Bank annually awards scholarships to high school seniors from Warren County, Ohio, and the five Northern Kentucky counties that we serve.

**We're honored that we've provided over \$200,000
to some of our community's best and brightest!**

The student applicants are recommended by their high school guidance counselors and complete a formal application process. Each student finalist is interviewed by a panel of Heritage Bank employees and directors. After the interviews are completed, we select eleven students from the representative high schools and award each with a one-time scholarship of **\$1,000**, applied to tuition costs at the college of their choice.

Those finalists not chosen for the scholarships each receive **\$150** as recognition for their achievements.

At Heritage Bank, **community comes first**. We are committed to providing the best local banking experience around, while helping to improve the lives of our fellow citizens. Investing in the future of our communities is one of the greatest contributions we can make!
