Recognizing the importance of a vibrant educational system and the positive impact of a strong, well-educated workforce, Heritage Bank annually awards scholarships to high school seniors from the Greater Cincinnati markets that we serve.

**We're honored that we've provided over \$225,000
to some of our community's best and brightest!**

The student applicants are recommended by their high school guidance counselors and complete a formal application process. Each student finalist is interviewed by a panel of Heritage Bank employees and directors. After the interviews are completed, we award each winning applicant with a one-time scholarship of **\$1,000**, applied to educational costs at their selected institute of higher learning.

Those finalists not chosen for the scholarships receive **\$150** as recognition for their achievements.

At Heritage Bank, **community comes first**. We are committed to providing the best local banking experience around, while helping to improve the lives of our fellow citizens. Investing in the future of our communities is one of the greatest contributions we can make!
